Bains numériques

Expo

Saturday 14 June 2014 - 10:00 to Friday 20 June 2014
- 22:00

▾ [Presentation](#)

Installation audiovisuelle générative qui produit un paysage sonore.

This entertainment system randomly generates new kinds of sonic landscapes.

These become visible and tangible through geographic patterns projected on the ground.

The world is well represented through the confrontation of sources collected in situ by hunters sounds that feed "Shirakaba," a collaborative platform dedicated to fieldrecording.
